4 FAB FALL HAIR CARE FINDS

KRISTIN SWENSON · SEP 16, 2018

How happy are you with your hair care products? I have some fab fall hair care finds that are probably going to make you change your mind even if you are perfectly content with your current hair care routine! You see, fall is a great time to switch things up and really get your hair into shape. Winter's dry fall temps will be headed your way before you know it and you want your tresses to be able to handle them! So, I thought I would share a few new products that have found their way into my own fall hair care routine...Get ready to add these fab fall hair care finds to your regimen STAT!

Fall Hair Care Finds to Try

[Phillip Adam Apple Cider Vinegar Shampoo and Conditioner](#)...Do you find that static is an issue for your hair, especially in the cooler months? Well, this shampoo and conditioner duo adjusts your mane's PH balance which cuts down on that static electricity AND leaves you with detangled, shiny hair. Plus, it smells amazing. Score!
